CASA MUSEO
de los Santos
Reyes

The image shows a modern, multi-level building with a mix of white, dark blue, and brown-tiled facades. The building has a prominent sign on its white wall that reads "CASA MUSEO de los Santos Reyes". The architecture features angular, cantilevered sections and a balcony with a black metal railing. In the foreground, there is a landscaped area with a stone retaining wall, gravel, and small plants. The sky is overcast.
